WHY ADD PEAK BIO CLEAN

24/7 RAPID RESPONSE

Urgent specialty cleanup does not wait for business hours.

DISCREET & COMPASSIONATE

Sensitive communication with families, residents, staff and property teams.

DOCUMENTATION-FIRST

Job records, photographs and claim-support documentation when appropriate.

COMMERCIAL-FRIENDLY

Works with authorized decision-makers, access rules, work orders and insurance processes.

EMERGENCY DISPATCH WORKFLOW

1 RESTRICT / RELEASE

Restrict access. For death or crime scenes, wait for official scene release.

2 CALL / AUTHORIZE

Give us the address, incident type, access details and authorized decision-maker.

3 ASSESS / REMEDIATE

We assess, confirm scope / authorization and perform specialty remediation.

4 DOCUMENT / CLOSE

We communicate material changes and provide appropriate closeout / claim documentation.

SCENE-RELEASE BOUNDARY

For death, crime or investigation-related scenes, remediation begins only after official scene release and authorized access.
